In re Application of	:	
Amit Heller, et al.	:	
Application No. 10/664,390	:	DECISION ON PETITION
Filed: September 17, 2003	:	TO WITHDRAW
Attorney Docket No. 1005-02-01 USP	:	FROM RECORD
	:	

This is a decision on the Request to Withdraw as attorney or agent of record under 37 C.F.R. § 1.36(b), filed September 3, 2009.

The request is **NOT APPROVED**.

A grantable request to withdraw as attorney/agent of record must be signed by every attorney/agent seeking to withdraw or contain a clear indication that one attorney is signing on behalf of another/others.

The request cannot be approved because practitioners were not appointed by customer number. In order to withdraw by customer number practitioners must be appointed by customer number.

All future communications from the Office will continue to be directed to the above-listed address until otherwise notified by applicant.

In order to request or take action in a patent matter, the assignee must establish its ownership of the patent to the satisfaction of the Director. In this regard, a Statement under 37 CFR 3.73(b) must have either: (i) documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment), and a statement affirming that the documentary evidence of the chain of title from the original owner to the assignee was or concurrently is being submitted for recordation pursuant to § 3.11; or (ii) a statement specifying where documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office (e.g., reel and frame number). The power of attorney filed September 7, 2005 does not have the required statement under 37 CFR 3.73(b) listing the reel and frame number of the recorded assignment.

There is an outstanding Office action mailed May 18, 2009 that requires a reply by the applicant.

Telephone inquiries concerning this decision should be directed to undersigned at 571-272-1642. All other inquiries concerning the examination or status of this application should be directed to the Technology Center.
